## *Our Purpose*

---

- ◆ The purpose of TASP is to give students who need help with their homework a place to get it done, with the help of experienced tutors.
- ◆ ALL students are invited to attend TASP!
- ◆ TASP is located in the TR library
- ◆ Library materials such as career and reference books are available for use.
- ◆ Students are able to use the computers to research information and print projects.
- ◆ “Plato” is an online virtual tutor. This program tests student’s knowledge, and direct further study in deficient areas.
- ◆ Certified staff in reading, math, English, science, social studies, and elective subject areas are here to help.
- ◆ Students are encouraged to seek assistance from either teachers or their peers.
