

College & Career Portfolio Information/Requirements

The College & Career Portfolio is a District 205 graduation requirement that allows students to begin building their resume for life AND encourages students to explore various experiences and opportunities at school and in their community. By doing so, students earn points for active participation and completion of tasks AND are given points for tasks they have already completed outside of school in addition to performing assigned tasks in Naviance. We want the students experience in creating this portfolio to carry them through to their post-secondary aspirations. Additionally, we want our students to focus their attention on college and/or career goals and to be able to use their portfolio beyond graduation from District 205.

THE COLLEGE & CAREER PORTFOLIO IS A GRADUATION REQUIREMENT.

The portfolio is guided by a menu of opportunities and points to be awarded. This menu should be used to help guide you into success. Currently, **all students must earn a total of 3000 points, by January 28, 2021, for successful completion.**

Please note all students have been assigned an advisor to guide them toward successful completion of the portfolio. Students can complete forms for Activities/Sports, Work Experience/Mentor/Volunteer and Community Service, **in addition to providing written proof** from the Corporation and/or Organization with the appropriate letterhead present.

The following list Thornwood's advisors, their emails, alpha slice and Google Classroom Code. In addition **beginning Monday, October 26, 2020** advisors will be available to answer students questions and to receive pertinent information via Google Classroom.

CCP Advisors availability:

Mondays-(1:30pm-3:30pm) Tuesdays-(1:30pm-3:30pm) Wednesdays-1:30pm-3:30pm

Google Classroom Code
