Greetings,

Welcome to a new school year! I hope you had a restful break in the mist of the current pandemic and uncertain times. My name is LaBria Gordon, a senior at Thornridge High School, and the 2020-2021 president of the Student Board of Education. On behalf of the Student Board of Education, I would like to extend our best wishes and encouragement to all faculty, staff, and administrators for the new school year.

Our mission is to use our elected positions to represent District 205 students, improve our schools, and give back to the communities. We will do this by providing quality programs and acting as a sounding board to the superintendent and the board of education. We are planning and working to understand the new challenges facing our country and execute the goals and objectives we set for this year. Last spring, the Student Board of Education conducted the first ever virtual student election in the history of District 205. It is my honor and privilege to introduce the 2020-2021 Student Board of Education Charity Counts Vice President, Fizzaha Vhora Secretary and Lynn Riley Treasurer. Members are Kya Arnold, Desman Bennett, Jada Lee, Jazmyn Hughes, Tiana Edwards, Larry Bryant, Salamot Balogun, Sarai Hurst, Christyana Arrington, Jonathan Rodriguez, and Ameena Harris.

We want to thank you for ensuring that the students of District 205 get the best education possible. Planning and finding new solutions to problems we have never seen before can become inflexible, but District 205 is more than equipped to overcome any obstacles to success that may be ahead of us. We know everyone is working hard to ease the transition to a new normal and new way of educating the next generation. As the elected representatives of the entire District 205 student body, we are willing to offer our input, support, and collective energy for the innovative progression of our school community. Let's remember to make this a great year starting with "Effective Remote Teaching and Learning for Student Success".

Best Regards

LaBria Gordon
