Nathaniel Cunningham Jr., Ph.D., Superintendent

We would like to take this opportunity to welcome your child to THORNTON TOWNSHIP HIGH SCHOOLS DISTRICT 205. To assist with this transition, we are sending you medical forms which must be completed and handed to the school nurse during "Registration and Schedule Pick-Up" in August. This applies to **all incoming freshmen & transfer students.** Please do not mail forms to the school.

1. PHYSICAL EXAMINATION

A physical examination, including diabetic screening and physical education approval, must be completed and signed by the physician within one year of starting 9th grade. Parents must complete and sign the medical history portion on the back page of the form.

2. IMMUNIZATIONS

Day, month, and year of doses are required, as well as a signature and stamp by a health care provider. Doses must include:

- (3 doses) Polio with the last dose after age 4
- (3 doses) DTP/DTaP/Td with the last dose after age 4, along with a Tdap
- (3 doses) Hepatitis B
- (2 doses) Measles, (2 doses) Mumps, (2 doses) Rubella, (2 doses) Varicella {1st given on or after the 1st birthday; 2nd given no less than 4 weeks (28 days) later}
- Students entering 12th grade must show proof of receiving the Meningococcal Conjugate Vaccine after the age of 16, per Illinois State Board of Education requirements

3. EMERGENCY NOTIFICATION FORM

Please furnish us with as much information as possible on where you can be reached during school hours. Please consider the availability of the emergency contacts you designate to be called in the event you cannot be reached.

4. REQUEST FOR ADMINISTRATION OF MEDICATION

Illinois Law requires written permission, from both a physician and parent, for any and all prescription and over-the-counter medications, which are administered during the school day. This includes TYLENOL. A School Medication Administration Form is included for you and your student's physician to complete in order for medication to be administered during school hours. Students who bring medication to school without a written consent will have their medication confiscated.

Listed below is the contact information for the Nurses' Office at each school.

In the absence of the nurse, an administrator will be available to assist.
