Welcome to Visual Design

I am pleased to welcome you to the 2020 -2021 school year! I am looking forward to a wonderful semester of learning about art. We will be creating art using various media and it is my hope that you have an enriching experience. While I do not expect you to make perfect art, I do expect you to try your best. Take a chance. Don't be afraid to make mistakes. It takes time and practice to make art. Also, know that I am here for you. I will always believe in you and will always push you to do your best. You are important and you have the ability to be extraordinary.
