The Home-Based Support Services Program tailors' services to help adults with developmental disabilities live at home. The Family Assistance Program makes monthly cash payments to families of children with severe developmental disabilities. Please note that there is no new funding being allocated for the Family Assistance Program. No new families are being enrolled in this program. Families who were selected for this program in years past continue to receive funding until they age out or otherwise exit. Families interested in learning about and/or applying for available supports and services should consult their Independent Service Coordination Agency to complete a PUNS (Prioritization of Urgency of Need for Services) Form.

The Family Support Network (FSN)/Arc of Illinois Ligas Family Advocate Program

If you are interested in learning more about the Ligas Family Advocate Program you can contact FSN at 708-331-7370

A primary goal of the program is to connect families with other families so they can share their unique perspective as stakeholders in the system.
