PURPOSE OF SUMMER SCHOOL

The purpose of Summer School is to allow the student the opportunity for credit recovery or to take course work that will allow the student to be on schedule to graduate with the other members of his/her class.

Summer School is not intended to allow students to take a course in advance and graduate earlier than the normal schedule.

An adequate number of students is needed for a course to be offered in Summer School. The administration may cancel any course for which there is insufficient enrollment in any given semester. Additionally, classes can only be offered if there is appropriate teaching staff available.

Any student that is registered for a Summer School Course, but chooses not to attend must withdraw by May 27, 2019. Students who do not withdraw and do not attend the class will not receive a tuition refund.

The Board of Education for Thornton Township High School District 205 expects that students who are registered for Summer School recognize their commitment and dedication to the completion of their course work.

Students are put on a waiting list once a class becomes full. Students who are wait listed will receive a call on the first day of their respective session(s) June 4, 2019 for the first three-week session, and/or June 24, 2019 for the second three-week session), should space become available. These classes will be filled on a first come, first served basis.
