Why IB?

A University of Chicago study found that, when compared to matched comparison groups:

- ❖ Students in the IB PD are 40 percent more likely to attend four-year colleges and 50 percent more likely to attend more selective colleges.
- ❖ These students are significantly more likely to persist in four-year colleges for two years.
- ❖ When in college, IB DP students report feeling prepared to succeed and indeed excel in their coursework, often stating explicitly that their experiences in the IB DP taught the specific skills and behaviors demanded of them in college.

Diploma Programme

College Recognition

- ❖ All Illinois colleges and universities accept IB credits
- ❖ A score of 5 or higher (0 to 7 score) will give the student college credits at most colleges
- ❖ A student may be rewarded anywhere from 3-12 credit hours for a single IB course
- ❖ If a student receives credit for the whole diploma, they have the possibility of walking into college with enough credits to be considered a second semester sophomore

Who are IB Students?

- Creative, self-driven students who prefer project-based learning
- Students with a strong support system at home
- Do not need to be “traditionally honors,” but willing to work hard (3.0 GPA)
- Students looking to go to the next tier of colleges or universities
- Interested in new experiences and developing and international mindfulness
