The colleges tab will help students compare colleges and find the right fit.

The careers tab will help students explore careers that are suited for their strengths and the education needed for that career. Students will also be able to search colleges that offer degrees in that area.

The about me tab allows students to discover interests and areas of strength which will guide them toward the best career path.

The my planner tab allows students to keep a calendar, set goals and view tasks that are assigned.

Get started and have fun!
