

Thornton Township High Schools District 205 2021-2022 Credit Recovery Program

www.district205.net

Classes Begin
in September
2021

Courses Offered:

~ English (All Levels) ~ Math (All Levels) ~ Social Studies (All Courses) ~
Science (All Courses) ~ Reading (All Levels) ~ PE/Health ~

Registration Process: Registration is completed through the student's counselor and/or the Building Coordinator. Please email them to complete the registration process.

Technology: PLATO will be the primary platform; some classes will use appropriate programs to meet individual student requirements. Students will access CR courses via Google Classroom.

Calendar: Classes begin in September and will run through July. Classes will be scheduled for Monday/Wednesday or Tuesday/Thursday.

Student Daily Instruction Time and Expectations:

1. The expectation is that students will be on-line actively working on their assigned course work (PLATO or other assignments) and communicating with their teacher(s) between the hours of 4:30 pm and 6:30 pm on assigned days.
2. Students will complete all assigned modules and/or activities as assigned by the teacher.
3. Once students have completed their course work, they will inform the teacher and ask for further instructions. Once completion has been verified by the course teacher, the student is done, and a grade will be awarded via Power School.
4. If time permitting, the student may then be assigned to an additional class(s). All classes must be completed within the said time frames, or no credit/grade will be awarded.
