

BOOSTER CLUB AND ACTIVITY POLICY SECTION 2.36

- All organizations that are affiliated with District 205 or any of the District 205 schools must agree to have their funds processed through the District Office.
- The process used for maintaining funds for these organizations would mirror the student activity funds held within the District Office.
- Purchase orders would be requested by a member of the organization, but would require sign off by a District administrator.
- No organization has the authority to use credit, debit, or any other form of electronic payment or receipts.
