

Chromebooks are managed by the ttdistrict205.net domain therefore only district Google accounts can log into them.

Google Student Login Format: student login username@ttdistrict205.net

Student Login Format: first 4 letters of last name (if student's last name has less than 4 letters then it will be 2 or 3 letters), first name initial, and last 4 digits of student ID number **@ttdistrict205.net**

Example: John Smith 123456 (smitj3456@ttdistrict205.net) or Sue Lee 123456 (lees3456@ttdistrict205.net)

The default password for student Google accounts will now be the student's first and last name initials and full ID number then they will be prompted to create their own password.

Password Example: John Smith 123456 (js123456)

If students have logged in and changed the default password but forgot the passwords they created, email helpdesk@district205.net and provide the student's first and last name and student ID number (please include all this information as it will make locating the student's account much quicker). If the student attempts to login and gets an error that their account could not be found, also email their first and last name and student ID number to helpdesk@district205.net

For District Desktops (preferably on computers in labs and libraries and not the desktop computers on teacher's desks in classrooms).

Windows Student Login Format: first 4 letters of last name (if student's last name has less than 4 letters then it will be 2 or 3 letters), first name initial, and last 4 digits of student ID number **WITHOUT** @ttdistrict205.net and it is not case sensitive, so it does not matter if any letters are capitalized or not.

Example: John Smith 123456 (smitj3456) or Sue Lee 123456 (lees3456)

The password for student Desktop accounts will be the student's first and last name initials and full ID number. (Students cannot change this password).

Password Example: John Smith 123456 (js123456)

If students get an error message that their accounts are locked, email helpdesk@district205.net and provide the student's first and last name and student ID number (please include all this information as it will make locating the student's account much quicker). If the student attempts to login and gets an error that their account could not be found, also email their first and last name and student ID number to helpdesk@district205.net

Please direct any other questions and/or report issues to helpdesk@district205.net
